Annual Savings Report – FY 2013

Iowa Code, section 8D.10, requires that the Iowa Division of Banking submit an annual report identifying annual savings realized by use of the Iowa Communications Network (ICN) video services.

8D.10 Report of savings by state agencies.

A state agency which is a part of the network shall annually provide a written report to the general assembly certifying the identified savings associated with the state agency's use of the network. The report shall be delivered on or before January 15 for the previous fiscal year of the state agency.

The Iowa Division of Banking did not use ICN video services during FY 2013; therefore, no savings were realized from use of the ICN.
